WORK EXPERIENCE

Parakai Four Square - Duty Manager (2018 - 2020):

I would lead a team of up to 10 employees delegating tasks to everyone - being a pillar of stability for my workplace.

Silver Tech Assistant Volunteer - Age Concern (2024):

I taught the elderly in my community about technology. Ultimately, I will support seniors in my community in increasing their digital literacy.

EDUCATION

University of Otago

Otago, New Zealand

Bachelor of Applied Science, Software Engineering Minor in Computer Science

- I am graduating in 2024.
- I am a student representative for 1 paper in my second year and planning on being a student rep for another paper in my final semester.
